

How to Use the TULIP Program

What is TULIP?

The Tenants' and Users' Liability Insurance Policy (TULIP) provides low-cost special event insurance to you, the college or university facility user. TULIP is event-specific and protects both the facility user, or third party, and the institution against claims by individuals who could be injured or experience damage to property as a result of participating in an event. Events may range from classroom seminars, receptions, or weddings to festivals and fairs, sports events, or concerts.

1

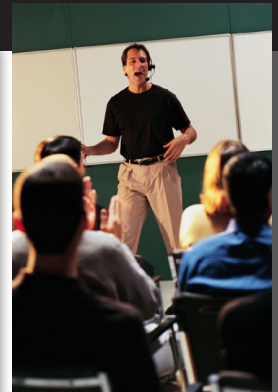

Log in to <https://tulip.ajgrms.com> and click on "Get a Quote."

The system will guide you through the process and allow you to purchase coverage and pay by credit card. If your organization has not enrolled in URMIA's TULIP program, click "Join Now" at tulip.ajgrms.com.

2

Verify your event coverage.

Upon completion, you will receive by e-mail a Binder/Certificate verifying your event coverage. The facility or venue office will also receive a copy of the Certificate.
